

# K9K Walk to Cure Canine Cancer

## Benefiting

**Saturday, September 19, 2009**  
**Stanley Park, Estes Park, Colo. — Lake Estes Trail**

Walk with or without a dog, for all or a portion of the nearly 4 mile Lake Estes Trail. After the walks, visit vendors and listen to experts discuss cancer prevention, research and treatment and how to be an advocate for your dog's health.

**Guest Speaker: Dr. Robin Downing** — owner and hospital director of Windsor Veterinary Clinic, PC in Windsor, CO. She is a recognized leader in pain management and has served on the Morris Animal Foundation board of trustees since 2000.

All registered walkers will receive a bandanna for their dog and an awareness band. The award ceremony will take place after the walk. Bring a picnic lunch and enjoy the large picnic area.

Registration forms are available online at [www.CanineK.org/EstesPark](http://www.CanineK.org/EstesPark) or at Estes Bark, located at 240 E. Elkhorn Ave. in Estes Park.

**Early registration fee: \$25 adults; Walk-day registration: \$30 adults and \$10 children (10 + years)** Walk-day registration begins at 8 a.m. on September 19.

**100% of walk registrations and donations go to benefit Morris Animal Foundation's Canine Cancer Campaign to fund research for canine cancer.**
